

Directions to Shipping Dock

If you are coming from Airport Rd.:

turn onto Alcoa Drive, which is between our building and Alcoa, and is marked with a Lowen Freight sign. You will pass a bunch of big cottonwood trees on your left and then, also on the left, will be the paved driveway into the freight area, marked as Lowen Freight. Look for the walk-in door marked “Receiving”, just to the left of the 8 shipping dock doors.

If you are coming from 11th St.:

turn onto Alcoa Drive which is marked with a Lowen Freight sign. Alcoa Drive curves to the right. You will see our building ahead on your right, and will make a right turn into the first paved driveway, marked as Lowen Freight. Look for the walk-in door marked “Receiving”, just to the left of the 8 shipping dock doors.
